

## Civic Addressing

The Province of Saskatchewan has implemented the “Civic Addressing System”; this will enable Emergency Responders should a 911 call be dispatched the ability to access property and home locations quickly and efficiently.

We ask that all ratepayers consider this option; we want our family and property to be protected to the best of our abilities; this is the reason why this system was created by the Province. We ask that ratepayers consider the benefits of this program.

Upon your request the RM will order signage (inclusive of sign, post and hardware); this can be done by contacting the RM by phone at 306-874-5732 or email to [rm398.office@sasktel.net](mailto:rm398.office@sasktel.net). The cost for the signage is \$57.50 plus PST.

We look forward to having the opportunity to serve the ratepayers of our municipality.
