

RURAL MUNICIPALITY OF PLEASANTDALE NO. 398

<i>POLICY TITLE:</i> Dust Suppression	<i>POLICY NUMBER:</i> 319-2022	<i>EFFECTIVE DATE:</i> July 14/2022
<i>ORIGIN:</i> Administrator	<i>ADOPTED BY COUNCIL</i> <i>ON: July 14/2022</i>	<i>AMENDED DATE:</i>

Purpose

To provide guidance regarding the management of Municipal Road Dust Suppressant.

Policy

The RM of Pleasantdale will endeavor to manage the application of Dust Suppressant on the municipal roads.

General Procedure

- The yards-site/landowner must apply to the Municipality to obtain permission to have dust suppressant applied on municipal roads. The Municipality must receive this application at least 10 days prior to any dust suppressant being applied.
- The yard/landowner must stake the location/area of the road where they wish to have dust suppressant applied in order for the Foreman to view the area.
- Dust suppression must not exceed 500 feet in length in front of property.
- The dust suppressant chosen by the yard-site/landowner is subject to approval by the Municipality. The Municipality can deny an application based on the dust suppressant.
- The yard-site/landowner must facilitate/contract directly with the dust suppressant company to have the product applied to the designated area and will be responsible for all purchase and application of the product.
- The Municipality will prep the area prior to the application and will consult with the yard-site/landowner prior to this work being undertaken.
- The yard-site/landowner will save harmless the Municipality in the event of any liability issues that may arise/caused by the application.
- The agreement between the yard-site/landowner and the Municipality which includes the terms and conditions must be signed prior to the application being undertaken.
