Dear Alysson Slater:

Enclosed for your records is approval of water rates excluding the management fees (Clause 1: application fee and transfer fee as approval is not required) for the Unorganized Hamlet of Lac Vert pursuant to subsection 23(3) of *The Municipalities Act*.

Please be advised that it is necessary to review the utility's performance each year and consider adjusting rates as needed to ensure self-sustainability. We also recommend that rate adjustments be made gradually rather than through drastic changes.

Yours truly,
